

SITMI Academy Celebrates Monumental Global Expansion with Courses in 132 Countries

Now Technology is Changing Education

SITMI ACADEMY Success story: A look at the importance of technology in teaching and learning..

Pune, Maharashtra Jan 10, 2024 ([Issuewire.com](https://www.issuewire.com)) - SITMI Academy has achieved an extraordinary milestone, reaching 132 countries with their diverse array of courses, marking a remarkable leap in global education. With over 5000 enrolled students, SITMI's commitment to accessible learning has been exemplified on a worldwide scale.

A significant contributor to this achievement has been the "Creative Professional Development Associate," SITMI's franchise based in Bangladesh. Their pivotal role in enhancing SITMI's courses within the country has been instrumental in expanding the Academy's influence.

The success of SITMI's courses is further underscored by the overwhelmingly positive feedback received, averaging an impressive rating of 4.62 out of 5 from participants. These courses cover a broad spectrum of topics including Supply Chain, Production, Inventory, Procurement, International Business, Materials Management, Logistics Management, Lean Management, Human Resource Management, and Quality Management.

Corporate professionals and leaders from diverse industries have shown a strong preference for these courses, recognizing the value in the content curated by industry and academic experts. SITMI's instructors have been instrumental in presenting crucial concepts, and job-specific study materials have added immense value to the learning experience.

SITMI Academy expresses heartfelt gratitude to its franchisees (CPDA), learners, instructors, and all

contributors for this remarkable milestone. Their collective efforts have played a pivotal role in achieving this feat.

Additionally, SITMI's commitment to accessible education extends to its YouTube channel, where they have garnered 0.14 million views and 1.8K likes for their published content. The Academy's learning content on YouTube serves as an open-source platform, providing learners worldwide with an opportunity to benefit from their courses and resources.

For those eager to explore SITMI Academy's diverse portfolio of courses and access the open-source learning platforms, detailed information can be found on the SITMI Academy portal (www.sitmi.in)

This accomplishment highlights SITMI's unwavering dedication to global education and signifies a landmark achievement in making quality learning accessible worldwide.
