

Tenant Optimizer by IT Partner LLC Now Available on Microsoft AppSource

IT Partner LLC today announced the availability of its Tenant Optimizer web service on Microsoft AppSource, an online cloud marketplace providing tailored line-of-business solutions.

Austin, Texas Jan 31, 2024 (Issuewire.com) - As a leading tech solutions provider, IT Partner LLC specializes in Office 365/Microsoft 365, Dynamics 365, and Azure services, with a prestigious Solutions Partner designation from the Microsoft AI Cloud Partner Program.

Tenant Optimizer, a symbol of IT Partner's commitment to client empowerment, seamlessly integrates Microsoft 365 Graph API and tenant-level analytics. This powerful tool not only streamlines data collection and analysis but also furnishes categorized monthly reports on key aspects: general tenant information, security, licensing, and digital transformation. Excitingly, IT Partner's customers can access Tenant Optimizer for free.

Customer benefits:

Expanded visibility: Gain profound insights into Microsoft 365 service adoption and usage.

Strategic monitoring: Effortlessly monitor crucial metrics like active users, user activities, and service usage intensity.

Informed decision-making: Identify trends, patterns, gaps, and improvement opportunities within your Microsoft 365 deployment.

Optimized performance: Leverage actionable insights from Tenant Optimizer to enhance your Microsoft 365 deployment's overall performance, a complimentary advantage for IT Partner customers.

Future-ready planning: Effectively plan for future needs and growth with a clearer understanding of your organization's trajectory.

"With IT Partner's experience and the transformative capabilities of the Tenant Optimizer application, our clients can expect a seamless journey toward improved efficiency, strategic growth, and success in their Microsoft 365 endeavors," said Michael Mackey, IT Partner CEO.

Giovanni Mezgec, Vice President, Modern Work + Business Applications Field & Partner Marketing, Microsoft Corp., said, "We welcome Tenant Optimizer to AppSource, where global customers can find thousands of line-of-business partner solutions that work with the Microsoft products they already use. Thanks to trusted partners like IT Partner LLC, AppSource is part of a cloud marketplace landscape predicted to grow revenue 500 percent from 2022 to 2025."
