

Thomas Smith, MD, FAAAAI, FAAAAI, an Allergist/Immunologist with Greater Austin Allergy

Get to know Allergist/Immunologist Dr. Thomas Smith, who serves patients in Austin, Texas.

New York City, New York Jan 22, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Smith specializes in treating children and adults who have allergies, asthma, and other respiratory problems. With a practice history in Austin, Texas since 1998, he is a valued member of the Greater Austin Allergy team, operating out of the office in Westlake.

Following an evidence-based medicine approach to patient care, Dr. Smith supplements his care for each patient with the latest knowledge available in scientific literature. He ensures that the best practices are determined and offered.

After graduating with high honors with his Bachelor of Arts Degree from the University of Virginia, Dr. Smith went on to earn his Medical Degree from the University of Virginia School of Medicine.

Continuing his training, he performed his residency in pediatrics at Vanderbilt University Hospital, followed by his fellowship in pediatric allergy and clinical immunology at the National Jewish Hospital.

On a professional level, Dr. Smith holds the esteemed title of Diplomate from the American Board of Pediatrics, the American Board of Allergy and Immunology, the American Board of Medical Laboratory Immunology, and the American Board of Medical Microbiology.

With fellowship status, Dr. Smith is a Fellow of the American Academy of Allergy, Asthma & Immunology, a Fellow of the American College of Allergy, Asthma & Immunology, and a Fellow of the American College of Chest Physicians.

Furthermore, he is an esteemed member of both the Texas Allergy and Immunology Society and the Travis County Medical Society. He also serves as a member of the Expert Panel for Allergy for the Texas Medical Board.

Allergy and immunology involve the management of disorders related to the immune system. These conditions range from the very common to the very rare, spanning all ages and encompassing various organ systems. An allergist/immunologist, like Dr. Wilhelm, is a physician who specializes in diagnosing, treating, and helping prevent allergic diseases and disease processes affecting the immune system.

Among his numerous accolades, Dr. Smith has consistently been featured in the Best Doctors in America list since 1994 and has been named a Texas Super Doctor since 2003. Notably, he is a recipient of the Albert Nelson Marquis Lifetime Achievement Award.
