

Virtuous Con Welcomes Wacom as Official Platinum Sponsor for 4th Annual Event Celebrating BIPOC Creatives

Baltimore, Maryland Jan 15, 2024 ([IssueWire.com](https://www.issuewire.com)) - [Virtuous Con](#), the premier virtual comic-book and fantasy convention celebrating BIPOC creatives, proudly announces Wacom as an Official Platinum Sponsor for Virtuous Con 2024 coming February 23 to 25, 2024. This year's virtual event themed "The Future is Ours" is dedicated to spotlighting independent artists and creators from around the globe.

Cerece Rennie Murphy, the Founder of Virtuous Con, expressed gratitude for Wacom's unwavering support in elevating the voices and visions of independent BIPOC artists. "With Wacom's innovative tools, our collective creativity soars, transforming ideas into vibrant digital masterpieces." Murphy expressed.

Wacom, the global leader in the pen display and tablet market for creative users, is marking its fourth consecutive year supporting Virtuous Con. Their range of intuitive pen tablets and displays enables users to unleash their creativity by drawing, designing, and creating directly on high-resolution screens, transforming ideas into vibrant digital formats.

As an Official Platinum Sponsor, Wacom reaffirms their commitment to empowering the creativity of independent artists through innovative tools for expression. Additionally, Wacom is generously contributing both financial support as well as in-kind gifts of both WACOM ONE and CINTIQ brand tablets for official giveaways, offering fans and artists access to cutting-edge creative tools. Virtuous Con, taking place from February 23 to 25, offers an array of engaging programs and interactive

experiences. For more information, visit the official website at <https://virtuouscon.com>.

About Virtuous Con:

Virtuous Con is an online science-fiction and comic culture convention dedicated to celebrating independent Black artists and creators worldwide. The unique platform provides both fans and creators with a live, authentic, and interactive experience, allowing attendees to engage with, support, and purchase directly from artists in real time. Unlike other virtual platforms, Virtuous Con is a truly immersive science fiction (sci-fi) and comic culture virtual convention (Con) that focuses on bringing together independent artists and passionate fans. <https://virtuouscon.com>.

About Founder Cerece Rennie Murphy:

Rennie Murphy, a Washington D.C. native and Award-Winning science fiction author, is celebrated for imaginative works like The Order of the Seers and The Wolf Queen series. She has also emerged as a proactive advocate for independent creators in the realms of science fiction, fantasy, and comics. In response to the challenges faced by her creative colleagues, particularly those from BIPOC backgrounds, during the COVID-19 shutdowns, Murphy founded Virtuous Con. Her dedication to supporting peers is evident in her commitment to building a more inclusive and resilient creative community, showcased through her roles as the founder of the Narazu website and Virtuous Con. <https://cerecerenniemurphy.com>.
