

Webplanex Unveils "Cashback Wallet" Shopify App, Earns Esteemed "Built for Shopify" Badges

We are thrilled to announce that our CashBack App has been officially recognized and earned the prestigious "Built for Shopify" badges.

Shopify CashBack App

Officially recognized and earned the prestigious "Built for Shopify" badges

Ahmedabad, Gujarat Jan 10, 2024 ([Issuewire.com](https://www.issuewire.com)) - Webplanex, a distinguished Shopify Partner company, proudly announces the official launch of its cutting-edge Shopify app, "Webplanex: Cashback Wallet," accompanied by the coveted "Built for Shopify" badges at: <https://apps.shopify.com/cashback-sale-booster>

The "Built for Shopify" badges serve as a hallmark of the Cashback Wallet app's exceptional quality and functionality, underscoring Webplanex's unwavering dedication to delivering premier solutions for Shopify merchants.

Key Features of Webplanex: Cashback Wallet:

Effortless Integration: Seamlessly integrate the Cashback Wallet into your Shopify store for a user-friendly experience.

Enhanced Customer Loyalty: Foster customer loyalty with a rewarding cashback system designed to incentivize repeat purchases.

User-Friendly Redemption: Customers can easily redeem accumulated cashback directly through the Shopify platform.

Customizable Settings: Tailor the cashback program to align with your brand identity and meet

customer preferences.

Benefits for Shopify Merchants:

Customers can earn points for purchases, referring people, or custom actions.

Customers can redeem their points for discounts or free products.

Reward customers and their friends for referrals to your store. Run your loyalty program both online and in-store with Shopify POS.

Easy-to-read graphs and charts help you measure your program's performance.

We are thrilled to introduce the 'Webplanex: Cashback Wallet' app to the Shopify community. Earning the 'Built for Shopify' badges is a testament to our commitment to delivering innovative and reliable solutions for Shopify merchants," expressed at Webplanex. "Our app is strategically crafted to elevate the customer experience, drive sales, and cultivate enduring relationships between merchants and their customers.
