Striving to assist clients in realizing their dream of homeownership, Amy aims to ensure a smooth and seamless transaction from start to finish.

New York City, New York Feb 16, 2024 ([Issuewire.com](https://www.issuewire.com)) - Amy is the Principal Broker at NW Summit Group, affiliated with EXP Realty, LLC in Salem, Oregon. She remains dedicated to serving her clients diligently and passionately, providing them with exceptional real estate services.

Boasting an extensive background in the mortgage and lending sector, Amy has garnered expertise in diverse roles such as loan servicing, collections, commercial and residential lending, business banking, and account executive. She has also worked as a processor, loan officer, broker coordinator, and underwriter.

During the rise of the subprime market, Amy transitioned from retail banking to wholesale lending. Subsequently, she ventured into her family's excavation trucking business, lending her knowledge to the construction industry. Within this domain, she took on roles as an OSHA/Safety Trainer, Designer, and Quality Construction Manager for a small company specializing in adult care homes and residential care facilities.

While pursuing her career in construction, Amy also explored the realms of health and life insurance for a few years. During this time, she devoted her spare time to acquiring properties at auctions, renovating them, and then reselling them. However, her true passion has always been in real estate, prompting her to become a licensed principal broker in the state of Oregon.

Attributing her success to dedication and determination, Amy acknowledges the importance of continually improving and striving to be the best version of herself.
