Tampa, Florida Feb 8, 2024 ([Issuewire.com](https://www.issuewire.com)) - Featuring the profound musician, recently released a streamy visual for her '[Next To You](#)'. It takes the audience on a romantic journey through the musician's 'Daydreams' as she envisions enchanting moments with her lover, portrayed by Nigel Harris, NFL Linebacker. The music video embraces a fusion of romantic aesthetic and modern romance, blending lush visuals with an essence of mystique. [Anubia Storm](#) states, "I really had to step out of my comfort zone for this, especially with the bath scene". In conclusion of the video, the artist also treats her fans with a stunning graphic design. It has been said that it will be the cover art for her upcoming project titled 'Anemone'.

The gritty soundtrack is fluid as well as enticing. The soundscape is a sexy sultry ballot that expresses the intimate emotion between lovers. It fuses meandering RnB neo-soul vocals with sweet gospel harmonies into an unforgettable musical experience. Vocally sublime and somewhat nostalgic for its long-form melodic meandering, '**Next To You**' offers an intricate story and remains focused on the highs and lows of this in a passionate and uniquely captivating way. This fine uniting of warming bass, euphoric synths, and cascading vocals makes for a brilliant twist on the authentic format. The result is that Mirage emerges as both an earworm of a potential hit and an unpredictable alternative gem of escapism gifted to the underground realm.

The flow almost feels freestyle at first, but the structure and progression of the story feed into a conscious building of sentiment and style – something that rings true across the artist's entire repertoire. **Anubia Strom** impresses, in short, the performance showcases contemporary effects in the mix but still stands tall in its own right for the clear tone and talent brought to the stage. Versatility is absolute strength, the pace and presence of each performance captivating, and the production lighting up that skill all the more so – the perfect kind of chemistry. The listeners look forward to hearing where else the musician takes things in this year. Several other tracks like 'ANGEL', 'MY LIFE', and 'Manners' are available on [YouTube](#), [Spotify](#), and [Apple Music](#).
