

Boost Your Streams with The Tunes Club's Best Spotify Promotion Service

The Tunes Club is one of the most reliable and tested music marketing websites that offers the best Spotify promotion service at an affordable price range.

New York City, Feb 13, 2024 ([Issuewire.com](https://www.issuewire.com)) - Spotify is the biggest audio streaming service in the world with over 600 million monthly users. It also has the biggest market share so getting famous or noticed on the platform can do wonders for aspiring artists, and musicians trying to make big in the industry. However, with such a huge audience reach, the competition is also increasing and it is getting even tougher to gain attention amidst the high players. This is why working with a professional promotion and marketing company can work best for artists who are trying to shine with their hard work and musical talent. The Tunes Club is one of the dominant music marketing companies out there but what makes it unparalleled is its effective services at such an affordable price range.

Offering the [best Spotify promotion service](#), The Tunes Club is known for offering artists an easy, and affordable solution that can get the desired attention of the biggest audio streaming platform. The marketing website provides 100% organic streams so the artists would not need to worry about getting fake streams with bots. This also helps Spotify to filter out fake promotions and give real artists their chances to shine. The Tunes Club does music promotion by submitting tracks to specially curated Spotify playlists. Whether the artist is an aspiring one, new to the industry, or someone who is trying to get more attention or an additional boost, the website's strategically crafted packages help them set the right foothold in the industry. Once the order is placed, the team will immediately start working and submit the selected songs to Spotify playlists. In just a matter of time, the improvements will be visible.

On the website, there is a total of four packages that the artist can choose from depending on their requirements. The team has collaborated with top music promotion companies that are well-versed in music promotion for several years. So every package is strategically crafted, tried, and tested. Now the company is making them public for artists at an affordable price range so that they do not necessarily have to make a dent in their budgets. The first package is called the 'Spotify Marketing Package' where the team will add the selected song to more than 60 curated Spotify playlists which will get around 3000-3500 listeners on the artist profile. At the same time, this package will additionally share the track to more than 100k social media followers on Facebook, Instagram, Twitter, Pinterest, etc. Through this package, a single Spotify track can be promoted, creating social media buzz.

The second package is called the 'Spotify Promotion Pack' which will allow the artists to promote 2 tracks. Using this package will promote the songs to more than 90 specially curated Spotify playlists. The tracks will be shared and promoted on various social media platforms, gaining around 7000-7500 listeners along with online engagement. This package also comes with a paid press release that will not only create social media buzz but also **increase the artist's search engine rank**. The third package is called the 'Spotify Marketing Pro Pack' which will let the musicians promote a total of 3 tracks. The songs will be added to more than 120 curated Spotify playlists, gaining 10,000-11,000 listeners along with complete engagement instantly. This package also comes with a paid press release distribution and a music blog to strengthen the promotion further.

The last package is called the 'Spotify Promotion Pro Pack' which lets the artists promote 4 tracks in total, at the same time. This package includes adding the tracks to more than 180 specially curated playlists gaining up to 14,000-15,000 listeners along with engagement. This package also comes with a paid press release distribution, a music blog, and an artist review, further strengthening the marketing. With all these affordable packages, The Tunes Club continues to prove that effective and strong promotion does not require a hefty amount of money. So get started today and enjoy the exposure on Spotify!
