Dr. Masoud Saman Honored as Global Expert in Preservation Rhinoplasty at Prestigious International Conference

New York City facial plastic surgeon honored with "best rhinoplasty surgeon" accolade

New York City, New York Feb 15, 2024 (Issuewire.com) - In a notable display of surgical skill and innovation, Dr. Masoud Saman, a distinguished facial plastic surgeon with specialized expertise in rhinoplasty, revision rhinoplasty, and facial rejuvenation, has recently captivated the international medical community. Dr. Saman was privileged with an invitation to perform live surgery at the world's most prestigious preservation rhinoplasty conference in Nice, France. This recognition places Dr.

Saman among an elite group of surgeons worldwide, underscoring his unparalleled expertise in preservation rhinoplasty.

The live surgery, a highlight of the conference, featured Dr. Saman's unique technique in preservation and ultrasonic rhinoplasty, observed by fellow surgeons from around the world and simultaneously broadcast to thousands more. This event not only served as a forum for sharing advanced surgical techniques but also emphasized the collaborative nature of the medical field in enhancing patient care and surgical results.

Dr. Saman's contributions were further acknowledged by a commendation from Yves Saban, MD, the modern-day pioneer of preservation rhinoplasty, who recognized him as one of the eight global experts in this highly specialized discipline. Sharing this honor with other respected surgeons such as Abdulkadir Goksel, MD, Teoman Dogan, MD, Bart Stubenitski, MD, Dean Toriumi, MD, Olivier Gerbeault, MD, and Mario Ferraz, MD, Dr. Saman expresses deep gratitude for the recognition and the chance to contribute to the advancement of rhinoplasty techniques.

"This accolade represents not just a personal achievement but also a commitment to the ongoing pursuit of excellence and innovation in facial plastic surgery," said Dr. Saman. "It was a privilege to demonstrate my technique at such a distinguished gathering and to share insights with peers who are equally dedicated to shaping the future of rhinoplasty."

Dr. Saman remains dedicated to pushing the boundaries of facial plastic surgery through continuous learning, teaching, and practice. By combining the latest techniques with a profound understanding of facial aesthetics, Dr. Saman aims to deliver results that are transformative and empowering for his patients.
