"Our company-owned playschool in Indore represents our continued dedication to providing exceptional early childhood education that lays a strong foundation for lifelong learning and success."

The new playschool in Indore will offer a comprehensive curriculum designed to foster holistic development, including academic, social, emotional, and physical growth. Through engaging activities, experienced educators, and state-of-the-art facilities, eduMETA aims to create an enriching learning environment where children can thrive and reach their full potential.

The grand opening of eduMETA THE i-SCHOOL in Indore was a joyful event attended by parents, families, and the wider community. The playschool's commitment to community engagement and collaboration was evident as they invited parents and outsiders to join in the celebration.

The carnival, which took place on February 11, 2024, offered a plethora of fun-filled activities for everyone in attendance. It was a day filled with joy, laughter, and excitement as parents and families had the opportunity to explore the school's infrastructure and get a firsthand experience of the well-designed facilities.

One of the highlights of the event was the chance for parents and outsiders to gain knowledge of the school's unique methodology. eduMETA THE i-SCHOOL prides itself on its innovative teaching methods, and this event provided an ideal platform for parents and the community to understand and appreciate the school's approach to education.

Throughout the carnival, there were interactive displays, demonstrations, and presentations showcasing the school's teaching techniques. Parents had the chance to engage in conversations with teachers and staff, gaining insights into the curriculum, teaching philosophy, and extracurricular activities offered by the playschool.

Children were also actively involved in the celebration, enjoying games, rides, and creative workshops organized specifically for them. This not only made the event enjoyable for the younger attendees but also gave parents an opportunity to see how their children would thrive in such a stimulating environment.

The grand opening carnival at eduMETA THE i-SCHOOL was an outstanding demonstration of the playschool's commitment to community engagement and collaboration. By inviting parents and families to join in the celebration and providing them with an enriching experience, the school showcased its dedication to creating a strong bond between the institution and the community it serves.
