

George M. Varkarakis, MD, FACS, a Plastic Surgeon in Private Practice

Get to know Plastic Surgeon Dr. George M. Varkarakis, who serves patients in Miami, Florida.

New York City, New York Feb 28, 2024 ([Issuewire.com](https://www.Issuewire.com)) - An exceptional plastic surgeon, Dr.

Varkarakis works with patients at his private practice in Miami, Florida. His multifaceted expertise encompasses a spectrum of specialties, from aesthetic and cosmetic surgery to pediatric craniofacial interventions.

Rooted in his Greek heritage and nurtured by a love for art and beauty, his practice embodies a fusion of technical precision and artistic vision. This ethos underpins his mission to deliver compassionate care and impeccable outcomes to every patient who walks through his doors.

Beyond his surgical prowess, Dr. Varkarakis is esteemed for his unwavering commitment to his patients' well-being. His empathetic approach and genuine passion for their care resonate deeply, fostering trust and confidence from the first consultation onwards.

Pertaining to his educational pursuits, he attained his medical degree from the prestigious University of Athens in Greece and completed his residency in plastic surgery at Indiana University. However, it was his formative years spent at The Craniofacial Center under the mentorship of Dr. Fearon in Dallas, Texas, that sculpted his expertise in craniofacial surgery. Here, he delved into the complexities of facial reconstruction, refining his skills with a fervor born of passion and commitment.

Distinguished as a Fellow of the American College of Surgeons (FACS), the doctor is board-certified in plastic surgery by the American Board of Plastic Surgery (ABPS). The mission of the ABPS is to promote safe, ethical, and efficacious plastic surgery to the public by maintaining high standards for the education, examination, certification, and continuous certification of plastic surgeons as specialists and subspecialists.

Plastic surgery is a surgical specialty involving the restoration, reconstruction, or alteration of the human body. It can be divided into two main categories – reconstructive surgery and cosmetic surgery. A plastic surgeon's primary responsibility is performing surgical and non-surgical procedures, and they use a variety of reparative and reconstructive techniques to get the job done.

Recognition of Dr. Varkarakis' exceptional contributions to his field is abundant, with accolades such as Top Surgeons in America by the Consumers Research Council of America and the Patients Choice Award for 2014 from Vitals.com adorning his illustrious career. Patients, too, attest to his unparalleled skill and dedication, lauding him as one of the foremost plastic surgeons in Miami.

Outside the operating room, Dr. Varkarakis finds joy and solace in the company of his beloved family. Together, they enjoy soccer, swimming, ping pong, and skiing. He is also an art and museum enthusiast.
