Christina Campbell, DO, FACEP, an Emergency Physician with Institute for Functional Regenerative Medicine and Naturally Free From IBD

New York City, New York Feb 27, 2024 ([IssueWire.com](https://www.issuewire.com)) - An experienced emergency physician, Dr. Campbell stands at the forefront of integrative medicine as the owner and founder of the Institute for Functional Regenerative Medicine and Naturally Free From IBD. With a distinguished career spanning over 25 years, she is a beacon of expertise and compassion in the field of healthcare.

Specializing in autoimmune diseases such as Crohn's disease and Ulcerative Colitis, as well as Lyme and mold illness, she is dedicated to empowering her patients to reclaim their health and vitality. Through telehealth consultations and personalized treatment plans, she offers compassionate support and guidance to individuals seeking to optimize their health and well-being.

Academically, she earned her Bachelor of Arts degree from the University of Florida in 1993, where she laid the groundwork for her future endeavors with a strong focus on academic excellence and a thirst for knowledge. Furthermore, she went on to pursue her medical education at the University of New England College of Osteopathic Medicine in Biddeford, Maine, graduating in 1998.

Dedicated to clinical excellence, the doctor attained board certification in emergency medicine through the American Board of Emergency Medicine (ABEM). The ABEM certifies emergency physicians who meet its educational, professional, and examination standards.

Driven by a passion for promoting health and wellness through natural and nontoxic therapies, Dr. Campbell is endlessly fascinated by the intricate workings of the human body and its symbiotic relationship with nature. She believes that true healing comes from addressing the root cause of health issues and restoring balance to the body's natural systems.

Holding membership status, she is also an active member of professional organizations such as the Institute for Functional Medicine, the American Academy of Anti-Aging Medicine, and the LDN Research Trust.

Emergency medicine is the medical specialty concerned with the care of illnesses or injuries requiring immediate medical attention. An emergency physician works in an emergency department to care for acutely ill or injured patients on an unscheduled basis.

Among her most notable achievements, Dr. Campbell has been the recipient of numerous awards, including the prestigious Top Doctor in Functional Medicine award by Best in Michigan Magazine.
