

Introducing From Foster Kid to Millionaire to Song Writer by Robert Dennis

Nashville, Tennessee Feb 16, 2024 (Issuewire.com) - Growing up, we are often told that our childhood determines our future. We are led to believe that our upbringing will dictate the path we take. While this may be true to some extent, it is not only the truth. The reality is, no matter what circumstances we are born into, we have the power to create the life we want for ourselves — and it all stems from the decisions we make.

“A few days later, some woman showed up in a car. We got all of our possessions in a couple of paper bags.”

— Robert Dennis, *From Foster Kid to Millionaire to Song Writer*

In today’s society where we are constantly bombarded with messages of negativity and pessimism, it is important that we remind ourselves that we have the power to shape and hone our life.

Together with Authors Press, author Robert Dennis is more than proud to showcase his memoir to a wider audience. He dedicated his book, *From Foster Kid to Millionaire to Song Writer*, to foster kids in hopes that this will give them determination to not be ashamed of who they are and to conquer every obstacle no matter how insurmountable they are.

From Foster Kid to Millionaire to Song Writer delves into Robert Dennis’ personal life and how he has defied all odds and risen above their circumstances to create the life they are longing to achieve. Each chapter of the book is an attestation to the fact that one’s past will not predetermine the future. Moreover, Robert highlights the impact of having positive, supportive, and driven individuals in our lives who can help us stay focused and motivated because every decision we make can contribute to shaping our journey.

Author Robert Dennis was born in Nashville, Tennessee. He spent the first five years of his life in his grandfather’s farm in Kingston Springs before being moved back to Nashville with his family. After entering the foster care system, Robert and his siblings stayed under the care of the Bright family—they stayed on the family’s farm while finishing out his schooling. Then and there, he dreamt of a life far more different than he has.
