Ocala, Florida Feb 6, 2024 (Issuewire.com) - Teaching is a notable job that is given high regard whether you're rich or poor, a president or a commoner, or someone who inspires you to be one. Teachers around the world are the ones who mold us to be who we are in the present and how we lead the path for our good. They are the ones who keep up with our emotional, physical, and mental development. We always want to hear stories from them from time to time to remember that we were

once a student or once an advocate of the educational system and learning.

Daryl L. Unnasch, *Principally Driven: A Provocative Account of a Full and Exciting Life*, narrates his journey as a rural kid to become a renowned educational leader who lives and enjoys his life to the fullest. Gained many skills and learned new things to help the educational system in America. He shares in one chapter the people who inspire him and give recognition. Moreover, he gained time to share his analysis of the education system as to public, private, Christian, and home school. There's much to discover in his book.

"As I reflect on those adult acquaintances, I have come to realize how important a teacher is in the life of a student."
