

Jennifer Woomer, Recognized by BestAgents.us as a 2024 Top Agent

Possessing an intimate understanding of the local market, Jennifer takes pleasure in serving clients across all areas of Northeast Ohio.

New York City, New York Feb 16, 2024 ([IssueWire.com](https://www.issuewire.com)) - Jennifer serves as an associate broker and Realtor at VSD Realty, LLC based in Chesterland, Ohio. Her expertise extends to working with a diverse range of clients, including buyers, sellers, and investors.

Whether handling prestigious high-end properties in Beachwood, facilitating apartment building sales, assisting first-time buyers, or catering to the needs of investors seeking multiple properties, Jennifer is dedicated to providing exceptional service and guidance.

A lifelong resident of Cleveland, Jennifer displayed a remarkable talent for real estate sales from a young age. At just 19, she successfully sold her very first home. This achievement was particularly notable considering the challenging economic climate of the 80s, characterized by high double-digit interest rates that made the real estate industry an extremely demanding field to navigate.

Recognizing the importance of further education, Jennifer pursued a Bachelor of Arts Degree in Communication, specializing in advertising and public relations, from CSU. During her tenure in the advertising sector, she honed her skills and showcased exceptional abilities, holding various positions and playing a pivotal role in launching numerous highly acclaimed publications. Notably, she consistently exceeded sales targets in her sales and marketing roles, significantly boosting sales volume.

Driven by her entrepreneurial spirit and passion for real estate, Jennifer decided to return to her original calling nine years ago. Since then, she has established herself as a highly accomplished full-time agent, specializing in residential and commercial real estate in the Northeast Ohio region. Her exceptional track record includes the noteworthy achievement of selling a property every 15 days for a consecutive 12-month period, earning her well-deserved recognition.

Attributing her success to hard work and determination, Jennifer considers no deal to be too big or too small. Her contributions include articles in Agent Intel Update and Lender Update, showcasing her expertise in the field.

Outside of her real estate career, Jennifer takes immense pleasure in her roles as a devoted wife and proud mother of two children. In her leisure time, she enjoys spending time with family and friends, traveling, reading, cooking, working-out, and investing with her investment club.
