

Kyle L. Hoedebecke, MD, a Family Physician with Juna

Get to know Family Physician Dr. Kyle L. Hoedebecke, who serves patients in Dallas, Texas.

New York City, New York Feb 29, 2024 ([IssueWire.com](https://www.issuewire.com)) - A devoted family physician, Dr. Hoedebecke's illustrious career includes roles as Medical Director at Oscar Health, Regional Director at THE ALPHA GROUP INTERNATIONAL, and Chief Medical Director at Jus-Pharma. Currently, as the Co-founder and Chief Medical Officer of Juna, a pioneering entity dedicated to revolutionizing weight loss programs, he has a visionary approach to wellness that transcends conventional boundaries.

His expertise ranges from bio-pharma and medical devices to artificial intelligence and global health initiatives. His profound insights into wearable technology, 3D printing, and AI ensure a future where innovation seamlessly integrates with healthcare delivery, enhancing accessibility, and efficacy on a global scale.

Back in the early days of her academic career, Dr. Hoedebecke earned his Doctor of Medicine (MD) from the Uniformed Services University. Building upon this foundation, he further expanded his horizons by pursuing a Master's in E-Health & Telemedicine Management from the Rome Business School. In addition, he holds degrees in MBA, Master of Public Administration, and MS in Leadership.

A loyal advocate for entrepreneurship and investment, he serves as a Senator of the World Business Angel Investment Forum, championing the transformative potential of startups and emerging ventures.

With over 40 startups under his wing as an angel investor or advisor, he catalyzes disruptive innovation while nurturing the next generation of healthcare pioneers.

Recognized as a Fellow of the American Academy of Family Physicians, Dr. Hoedebecke remains steadfast in his pursuit of excellence, with over 70 peer-reviewed publications spanning five continents and eight languages.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.
