Summary of the release: “Mission Possible” is an engaging historical fiction with heart. The book is a delightful reimagining of a true story that finds two determined missionaries on an unexpected journey of fate during a trip to South America, followed by their life work in various regions while there.

Hastings shares, “‘Mission Possible’ is the story of two ambitious young Americans convinced that God has called them to share the good news of the gospel in South America. The couple, George and Alice, and their young son, Phillip, embark on the unknown in the early 1950s as they are given the plans for

their mission work in the Presbyterian East Mission of Brazil. After a brief time serving a church in Tennessee, as a newly graduated seminary student, George is ready to fulfill his dream of serving abroad. Alice is excited to embark on this adventure in a land where she and her husband can bring a sense of hope to many while grappling with a new life and a growing family. Their limitations and naiveté are compounded by the perils of the jungle, along with the endless physical, language, and cultural differences encountered. Their amazing adventure is based on a real-life story.”

Published by Christian Faith Publishing, Nancy Hastings’s new book will draw readers in as they journey back to the 1950s with Alice, George, and Phillip.
