

Mario Shroomed Launches Massive Retro Gaming Libraries

Stamford, US Feb 25, 2024 ([IssueWire.com](https://www.issuewire.com)) - **Mario Shroomed**, a leading retro video game company, is excited to announce the launch of their comprehensive online libraries for classic NES and PlayStation 1 games. Gamers can now revisit their favorite 8-bit and early 3D titles through Mario Shroomed's new online emulators and digital storefronts, providing [classic nes games online](#) and PS1 games for sale.

The expanded NES library includes over 500 iconic games like Super Mario Bros., The Legend of

Zelda, Metroid, Castlevania, Donkey Kong, Final Fantasy, Mega Man 2, Kirby's Adventure, Mike Tyson's Punch-Out!!, Contra, and many more cherished titles from Nintendo's 8-bit era. Fans can play these classic experiences directly in their web browser, with save states, visual filters, and other special features for the ultimate retro gaming experience.

For original PlayStation fans, the PS1 digital store now grants access to over 100 unforgettable titles like Crash Bandicoot, Spyro the Dragon, Metal Gear Solid, Resident Evil 2, Final Fantasy VII, Tomb Raider, Tony Hawk's Pro Skater 2, Parasite Eve, Silent Hill, and other hallmark games that defined the early 3D gaming generation. Gamers can download and play these classics on modern systems.

"Our team is dedicated to curating an amazing selection of games from retro consoles for today's audience," said Mario Shroomed's Head of Gaming Luigi Toadstool. "Whether it's the NES, SNES, PlayStation, Nintendo 64, or beyond, we want to allow gamers to relive the magic of these unforgettable gaming eras."

Mario Shroomed secures all proper licensing for each game offered, providing a legal avenue to enjoy retro titles. An affordable monthly membership plan grants unlimited access to the entire library. Games can also be purchased individually as classic nes games online and [ps1 games for sale](#).
