

Miller Soft Wash Michiana's Local Pressure Washer is adding New Roofing Services

Michiana's Local Pressure Washing Service is adding Roof Rejuvenation, Roof Repair and also is doing the spray on silicone Roof coatings for commercial buildings.

Goshen, Indiana Feb 15, 2024 ([Issuewire.com](http://www.Issuewire.com)) - Miller Soft Wash Expands Services to Include Roof Repair, Coatings, and Rejuvenation

Miller Soft Wash, the Elkhart County leader in gentle, yet effective pressure washing, is excited to

announce the expansion of its services to include roof repair, silicone roof coatings for commercial buildings, and roof rejuvenation with a soy-based oil treatment.

“For years, we’ve helped homeowners and businesses restore the beauty and curb appeal of their exteriors through meticulous pressure washing,” says Kenneth Miller, owner and operator of Miller Soft Wash. “Now, we’re thrilled to extend our expertise to encompass the crucial area of roof care.”

Addressing a Growing Need:

Miller explains, “Roofs are a significant investment and their maintenance is often overlooked. By adding these services, we can offer our customers a one-stop solution for complete exterior upkeep, ensuring both aesthetic appeal and long-term functionality.”

New Services Offered:

Roof Repair: Miller Soft Wash now provides professional repairs for common roof issues like leaks, missing shingles, and damaged flashing. Their team is certified and experienced in various roofing materials, ensuring efficient and reliable service.

Silicone Roof Coatings: For commercial buildings, Miller Soft Wash offers high-performance silicone roof coatings. These coatings extend roof life, improve energy efficiency, and provide superior water resistance.

Soy-Based Roof Rejuvenation: This eco-friendly treatment revitalizes asphalt shingles, restoring their flexibility and color while adding a protective layer. This can potentially extend the life of your roof and boost its curb appeal.

Unwavering Commitment to Quality:

“We understand the importance of trust and quality workmanship,” says Miller. “That’s why we only use the best materials and adhere to the highest industry standards in all our services, including roof repair, coatings, and rejuvenation.”

More Than Just a Pressure Washer:

With the addition of these new services, Miller Soft Wash solidifies its position as a comprehensive exterior care provider, offering a wider range of solutions to enhance and protect your property.
