California City, California Feb 18, 2024 ([IssueWire.com](https://www.issuewire.com)) - In the new book, **‘Thriving as a Single Mom While Raising Happy Kids’**, [Denise Turney](#) provides first person insights, study results, tips and more detailing how single moms can raise their kids to be happy adults. Denise Turney has firsthand experience with important parenting skills covered in the book, namely healthy child-parent bonding, independence, confidence building, parental guidance, using fun as an impactful learning tool and practicing patience. Not only was Denise Turney a single parent, she lived 500 miles from her nearest relative while raising her son as a single mom. She knows the daily ins and outs and ups and downs that a woman parenting alone faces.

“Being a single mom is one of life’s most challenging task,” Turney shares. “On the other hand, it is also one of the most rewarding life experiences. It is my deep hope that **‘Thriving as a Single Mom While Raising Happy Kids’** helps single mothers to raise kids who thrive, avoid hardships, and relationship stumbling blocks,” Turney continues. “Every single mom deserves to live an empowered life, even while scaling single motherhood hurdles.”

In addition to covering effective parenting options, confidence building strategies, and using fun to teach, when you read **‘Thriving as a Single Mom While Raising Happy Kids’** you gain access to debt reduction and wealth building templates, mentoring programs, support groups, financial assistance programs and more. You can also gain an understanding of the process and the nuanced details of how you can balance your work, raising kids, and building new relationships.

‘Thriving as a Single Mom While Raising Happy Kids’ may readily be a go-to guidebook for single mothers, including moms seeking ways to pay down debt, relocate to a new city, volunteer in the community, finish college, and start a new loving relationship, all while raising happy kids.
