

NEXLAW AI Unveils a Partnership with NVIDIA to Drive Inception in Legal AI

Sydney, New South Wales Feb 14, 2024 ([Issuewire.com](https://www.issuewire.com)) - NEXLAW AI, a leading provider of AI-driven legal technology solutions, has announced its strategic partnership with NVIDIA Inception, a program dedicated to nurturing startups to revolutionize industries through cutting-edge technology.

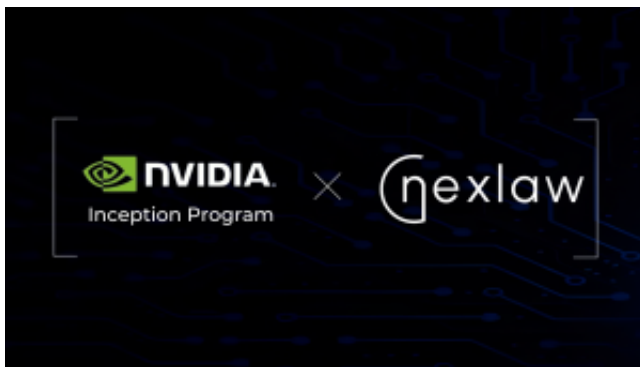

This collaboration marks a significant advancement for NEXLAW AI, solidifying its position as a leader in reshaping the legal landscape through innovative AI-driven solutions. Addressing prevalent challenges encountered by lawyers today, NEXLAW empowers legal professionals to tackle complex tasks with ease, all while prioritizing privacy. Our platform offers advanced search capabilities, simplified legal research, streamlined contract review, automated content drafting, AI-powered summarization, and a legal expert system, tailored to the needs of legal professionals across major Commonwealth countries.

Thanks to the NVIDIA Inception program, NEXLAW gains access to advanced technology resources and support, enabling the rapid development and deployment of new AI models. Additionally, NVIDIA's collaboration enables NEXLAW to continue leveraging AI technology to address potential imperfections in the legal system, working towards greater access to justice. Furthermore, participation in the program will enable NEXLAW to collaborate with other AI-driven businesses and industry experts, bolstering the

team's engineering capabilities.

Francis Lui, Founder & CEO of NEXLAW AI, expressed his excitement about the partnership, stating, "We are thrilled to join forces with NVIDIA Inception as we merge our expertise with NVIDIA's cutting-edge technology to propel the development of groundbreaking legal AI solutions. With this collaboration, we reaffirm our commitment to empowering legal professionals with innovative AI-powered tools, enabling them to navigate complex legal landscapes with unprecedented efficiency and effectiveness."

Through this partnership, NEXLAW AI aims to accelerate the development and deployment of innovative legal AI solutions that address the evolving needs of the legal industry. By combining its expertise in AI with the support of NVIDIA Inception, NEXLAW is poised to drive meaningful impact and shape the future of legal technology.
