

Panagiotis Kyteas, DDS, MSD, an Orthodontist with Greater Houston Orthodontics

Get to know Orthodontist Dr. Panagiotis Kyteas, who serves patients in Houston, Texas.

New York City, New York Feb 27, 2024 ([IssueWire.com](https://www.issuewire.com)) - Dr. Kyteas is a board-certified orthodontist. He specializes in creating stunning smiles at Greater Houston Orthodontics, with practice locations in West University and Memorial areas of Houston, Texas.

His expertise encompasses twin bracket systems, passive self-ligating bracket systems, treatment with Temporary Anchorage Devices (TADs), and Invisalign Clear Aligners. Keeping abreast of current orthodontic trends, Dr. Kyteas adeptly manages complex cases requiring a multidisciplinary approach, such as orthognathic surgery and the replacement of missing teeth with fixed and removable restorations.

Born and raised in Greece, Dr. Kyteas obtained his Dental Degree from The Aristotle University of Thessaloniki School of Dentistry. Throughout his education, he dedicated himself to clinical work in Periodontology and Implant Biology at the Department of Preventive Dentistry. Additionally, he volunteered at the Saint Dimitrios Center for Recovery and Rehabilitation of Children with Disabilities.

After graduation, Dr. Kyteas served as a general dentist in the Greek Army for two years before pursuing opportunities in the United States. He conducted research as a fellow in the Department of Orthodontics at the University of Alabama at Birmingham School of Dentistry before entering the residency program, from which he graduated in the summer of 2018.

Subsequently, Dr. Kyteas earned his Orthodontic Certificate and Master of Dental Science Degree from the said establishment in 2018. Notably, his research project earned him a scholarship and secured him the 3rd place award at the Dentsply Sirona Orthodontics University Research Award Competition in 2017.

With a commitment to excellent dental care, Dr. Kyteas holds the esteemed title of Diplomate of the American Board of Orthodontics (ABO). The ABO is a non-profit professional association for orthodontists founded in 1929.

On a professional level, he is an active member of the American Dental Association, the American Association of Orthodontists, and the Greater Houston Dental Society.

Attributing his success to his desire to help others, Dr. Kyteas has contributed to various publications, including: A 3D Follow-Up Study of Cranial Asymmetry from Early Infancy to Toddler Age after Preterm versus Term Birth. A. M. Launonen, H. A., P. Kyteas, V. Vuollo, T. Heikkinen, C. H. Kau, P. Pirttiniemi, V. Harila, A. M. Valkama J. Clin. Med. 2019, 8, 1665;

A comprehensive treatment approach for condylar hyperplasia and mandibular crowding with custom lingual braces and 2-jaw surgery. P. Kyteas, Wm. S. McKenzie, I. H. Kau, P. D. Waite AJODO 2017, 151(1): 174-185; and

Replacement of anticoagulants by heparins in Oral and Maxillofacial Surgery: A Systematic review. P. Liokatis, P. Kyteas, F. Katsikanis, G. Venetis Stomatologia 2010, 67(4): 147-156.

In his free time, Dr. Kyteas loves to spend time outdoors with his wife, play soccer and basketball, race

cars, and work out. Additionally, he nurtures a passion for photography and traveling, with his favorite travel destination being Greece.
