Get to know Nephrologist Dr. Rajeev Raghavan, who serves patients in Houston, Texas.

New York City, New York Feb 29, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Raghavan, stands as a beacon of excellence in the medical community, embodying the virtues of dedication, compassion, and expertise. As a board-certified Nephrologist and Internal Medicine physician at Kingwood Internal Medicine Specialists in Texas, he is renowned for his approachable demeanor and patient-centered approach. His tenure at Baylor College of Medicine spanning 11 years saw him earn numerous accolades for his exceptional patient care and contributions as an educator.

Driven by a profound belief in the transformative power of medical education, he assumed the role of program director for the HCA Kingwood Internal Medicine Residency in 2021. Additionally, he serves as adjunct faculty at the University of Houston and Baylor College of Medicine, ensuring he remains abreast of the latest advancements in his field.

Academically, Dr. Raghavan's journey into medicine began with a strong foundation in academia, earning a Bachelor of Science in Chemical Engineering from Case Western Reserve University. However, his true calling led him to pursue a Doctorate of Medicine from Baylor College of Medicine, where he also completed his residency in Internal Medicine and fellowship in Nephrology. His thirst for knowledge didn't stop there; he furthered his education with a Master's degree in Education from the University of Houston in 2021, cementing his commitment to both medical practice and teaching. In December 2023, he earned the Diplomate of the American Board of Lifestyle Medicine substantiating his passion for using nutrition to treat chronic diseases.

Passionate about his profession, the doctor is board-certified in internal medicine and nephrology by the American Board of Internal Medicine, a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve the highest standards for the best care in a rapidly changing world.

Holding membership status, Dr. Raghavan is a proud member and Fellow of both the American Society of Nephrology and the American College of Physicians.

Nephrology is a specialty of medicine that concerns itself with the kidneys. It is the study of normal kidney function and kidney disease, the preservation of kidney health, and the treatment of kidney disease, from diet and medication to renal replacement therapy. Nephrologists have advanced training in treating kidney disease. They diagnose and treat kidney failure, help patients by prescribing medications, offering special diet advice, and coordinating dialysis care or kidney transplantation when it becomes necessary.

On a more personal note, Dr. Raghavan is an accomplished cellist whose musical talents have graced the stage with the Texas Medical Center Orchestra, showcasing his multifaceted pursuits outside of medicine.
