

RouteMedic Launches Mobile Medical Units to Provide Healthcare Access Across Mumbai and India

Founder Farhana Hayat Leads RouteMedic's Mission to Bridge Healthcare Gaps and Promote Wellness in Underserved Communities

Mumbai, Maharashtra Feb 11, 2024 ([Issuewire.com](https://www.issuewire.com)) - RouteMedic, a leading healthcare provider, announces the launch of its innovative Mobile Medical Units aimed at delivering essential healthcare services to underserved communities across India. Founded by Farhana Hayat, RouteMedic is dedicated to bridging gaps in healthcare access and promoting wellness among marginalized populations.

With a vision to create a healthier and more equitable society, RouteMedic's Mobile Medical Units will serve various locations including Mumbai, Navi Mumbai, Pune, Nasik, Aurangabad, Nagpur, and beyond. These units are designed to reach remote areas and urban centers alike, ensuring access to high-quality primary care for all.

The [Mobile Medical Units](#) offer a comprehensive range of healthcare services, including on-site health checkups, screenings for blood pressure, cholesterol, and diabetes, vaccinations, wellness programs, first aid and emergency care, [occupational health services](#), telemedicine services, medical maritime services, ambulance services, on-site laboratory services, health education and training, mental wellness services, pre-employment and annual/periodic checkups, and more.

RouteMedic's commitment to outreach and community engagement is reflected in its mission to establish a community health program that empowers individuals and groups to advocate for their health needs.

"Our goal is to remove social barriers and educate future healthcare providers to become socially conscious leaders in the field," says Farhana Hayat, founder of RouteMedic. "We believe that by bringing healthcare directly to the communities that need it most, we can make a tangible difference in people's lives."

RouteMedic invites individuals, organizations, and communities to reach out for more information about their services or to schedule a free consultation.
