

Saad Shams, MD, an Internist with Henry Ford Health

Get to know Internist Dr. Saad Shams, who serves patients throughout the State of Michigan.

New York City, New York Feb 19, 2024 ([IssueWire.com](https://www.issuewire.com)) - A prominent internist, Dr. Shams is a third-year resident with Henry Ford Health, working with patients at Henry Ford Macomb Hospital, Henry Ford Hospital, and at various other Southeast Michigan locations.

Throughout his academic career, he earned both his Bachelor of Science and Master of Science degrees from Louisiana State University in 2014 and 2015 with distinction and received his medical degree from Ross University School of Medicine in 2020.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.

Speaking several languages, Dr. Shams is fluent in English and Urdu, and proficient in Spanish. He is well-published in research, and quality improvement projects, and serves as a mentor to high school and medical students. He holds special interests in the fields of pulmonary and critical care medicine, gastroenterology and hepatology, and nephrology. His future plans are to practice academic internal medicine and share his love and passion for medicine by teaching and helping others.
