

## Sai University's Interdisciplinary Undergraduate Admission for the 2024 academic year is gaining momentum.

Sai University provides Liberal Education in undergraduate programs covering Arts & Sciences, Technology and Law.

**Chennai, Tamil Nadu Mar 3, 2024 ([IssueWire.com](https://www.issuewire.com))** - Sai University's Admissions for the academic year 2024 have commenced, with a lot of interest in the liberal education model in undergraduate programs from students all over India.

Sai University offers **BA (Hons) and BSc (Hons) programs** at the School of Arts and Sciences, allowing students to select major and minor of their choice in the second year, after completing foundational courses.

Sai University also has an innovative interdisciplinary **4-year BTech program**, the first of its kind in the country, at the School of Computing and Data Science, offering **Computer Science, Data Science and Computer & Data Science**.

The School of Law offers a 5-year integrated **BA LLB (Hons) program** and three postgraduate

programs: Daksha Fellowship (PG Diploma in Technology Law and Policy) (1-year), LLM in Regulation and Governance (1-year), and MA in Public Policy (2-year).

“The first round of admissions for the academic year 2024 shows that Sai University's undergraduate programs are drawing students from all over India, due to the distinctive interdisciplinary curriculum, taught by top academics from India and abroad, matching the standards of leading institutions”.

“As a Leader in liberal education, Sai University adheres to international standards in the curriculum and follows a holistic admissions process. Applicants are assessed based on their academic performance, extracurricular activities, critical thinking, communication skills, leadership traits, creativity, and aspirations”, Said Dr.Vivek Shivhare Director- Admissions

Sai University supports talented students by offering merit-based scholarships such as the ‘District Toppers Scholarship’, ‘Young Scholar’, ‘Merit Scholar’, and Scholarships for Extra-curricular and Co-curricular accomplishments.

Admissions for round 2 are now open and the aspiring students can apply at [www.saiuniversity.edu.in](http://www.saiuniversity.edu.in). To secure admission and merit scholarships, students are advised to apply early, as 50% of seats have already been filled in Round 1.

**Please contact the admission helpline: +9150075661,62,63 for more information**
