

TOV Capital Group Launches Pre Settlement A Funding Program To Ease Financial Burdens For Plaintiffs

This initiative aims to alleviate the financial strain experienced by plaintiffs awaiting the resolution of their legal cases by providing immediate financial support.

Miami, Florida Feb 25, 2024 ([IssueWire.com](https://www.issuewire.com)) - TOV Capital Group, a leading provider of financial solutions for plaintiffs navigating the legal process, is pleased to announce the launch of its dedicated Pre-Settlement Funding program. This initiative aims to alleviate the financial strain experienced by plaintiffs awaiting the resolution of their legal cases by providing immediate financial support.

Pre-settlement funding, also known as consumer legal funding, offers plaintiffs the opportunity to receive funds upfront in exchange for a portion of their future financial settlement. Unlike traditional loans, pre-settlement funding does not require monthly payments, and repayment is contingent upon the successful outcome of the case. Tov Capital Group's pre-settlement funding program operates on a non-recourse basis, meaning plaintiffs are not obligated to repay the funds if their case does not result in a settlement.
