

Urban Forest Expands its Reach with Launch of Dedicated eCommerce Website Urbanforest.co.in

Urban Forest, renowned for its premium leather accessories on Amazon.in, proudly announces the launch of its standalone e-commerce platform, urbanforest.co.in.

kolkata, West bengal Mar 14, 2024 ([Issuewire.com](https://www.issuewire.com)) - Urban Forest, a renowned name in the realm of pure leather accessories, is thrilled to announce the launch of its dedicated e-commerce platform, urbanforest.co.in. This move marks a significant milestone in Urban Forest's journey to provide high-quality leather goods directly to its customers, offering a seamless shopping experience tailored to their needs.

Known for its exquisite collection of leather accessories for both men and women, Urban Forest has built a reputation for crafting products that blend timeless style with exceptional durability. With the launch of urbanforest.co.in, the brand aims to extend its reach and provide enthusiasts of fine leather goods with an exclusive platform to explore and purchase their favorite products conveniently.

Urban Forest's new eCommerce website will feature a comprehensive range of leather bags, wallets, and belts meticulously designed for both men and women. From sleek and sophisticated leather bags to stylish wallets and durable belts, each product reflects Urban Forest's commitment to craftsmanship and quality.

"We are excited to unveil urbanforest.co.in as the newest destination for leather enthusiasts seeking premium accessories," said Soumen Guha, marketing manager at Urban Forest. "Our goal is to offer our customers a seamless online shopping experience where they can discover our latest collections, explore detailed product information, and make purchases with ease."

The launch of the eCommerce website comes at a time when Urban Forest is poised for growth and expansion, fueled by its dedication to delivering excellence in every aspect of its business. By leveraging the power of technology and innovation, Urban Forest aims to enhance its customer engagement and strengthen its position as a leader in the leather accessories market.

To celebrate the launch, Urban Forest will be offering special promotions and discounts exclusively on urbanforest.co.in, giving customers an opportunity to experience luxury at an exceptional value.
