

Visit Canada from Any Corner of the World with eTA Canada

Vancouver, British Columbia Feb 28, 2024 ([Issuewire.com](https://www.issuewire.com)) - Canada Online Visa or eTA Canada is bringing more ease and convenience to international traveling by offering a swift and efficient method of visa generation. This online process does not require applicants to visit the local Canadian Embassy but any eligible person can do it from home with the help of this common online website. For example, a CANADA VISA For PANAMA Citizens can be easily availed of at <https://www.canada-eta-visa.org/canada-visa-eligibility/panama-citizens/>. The citizens must have a U.S. non-immigrant visa which makes them eligible for the eTA or the electronic Travel Authorization. The applicants are also eligible if they have held a Canada Visitor Visa in the last 10 years.

There is also a CANADA VISA For FILIPINO Citizens which can be obtained at <https://www.canada-eta-visa.org/canada-visa-eligibility/filipino-citizens/>. It is a quick and straightforward process and it takes only 2 to 3 business days to get the online visa document. The Canada ETA stays valid for a total of 5 years and the visa holders are allowed to visit the country multiple times within that period. The visa document is perfect for short-term visits starting from 1 day to 90 days.
