

ABOR-TECH PTY LTD Acquires Nord Envation AB for Innovative ERP Solutions

Brisbane, Queensland Mar 27, 2024 ([IssueWire.com](https://www.issuewire.com)) - ABOR-TECH PTY LTD, an Australia-based digital service provider has recently acquired Nord envation AB, a Tech company based in Sweden and an SAP partner, to bring a massive change in the industry and digital business structure. With over two decades of practical experience and intricate knowledge in SAP Systems, a crucial figure at Nord Envation AB, Arnd Dixit has come up with an innovative technology that can offer more ease, efficiency, and convenience in business processes.

Dixit has come up with a unique ERP solution for all, which is reasonable, effective, and suitable for all kinds of businesses. He is currently the Managing Director of ABOR-TECH which is trying to leverage its complete potential. The man has been developing the SAP ADDON for nine years which is capable of redefining the avenues of e-order and e-invoicing. This unique creation can transform the SAP ecosystem for online businesses.

The goal behind creating this SAP ERP ADDON product was to centralize operations to the core backend so that businesses do not have to depend on heavy and complex external systems. With ABOR-TECH PTY LTD acquiring Nord Envation AB, it is possible to get access to the latest ERP system, regardless of the industry.
