

Aiza Akbar, MD, a Hospitalist with Atlantic Medical Group Hospitalists

Get to know Hospitalist Dr. Aiza Akbar, who serves patients in Hackettstown, New Jersey.

New York City, New York Mar 7, 2024 ([Issuewire.com](https://www.issuewire.com)) - A prominent hospitalist, Dr. Akbar is affiliated with Atlantic Medical Group Hospitalists, tending to patients at Hackettstown Medical Center in New Jersey.

Back in 2012, he received his medical degree from the King Edward Medical University in Pakistan. After relocating to the United States, he completed his residency in internal medicine at the Hackensack University Medical Center (Mountainside) in 2019.

An expert in his field, the doctor is board-certified in internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Hospital medicine is a medical specialty that exists in some countries as a branch of internal or family medicine, dealing with the care of acutely ill hospitalized patients. The primary focus is caring for hospitalized patients and co-management with other specialties. Hospitalists take an active part in medical care and ensure a safe discharge for the patients they take care of. They are being increasingly involved in administrative roles, given their expertise and collaboration with various teams in the hospital.
