

Calcutta Business School Recognized as One of the Best PGDM Colleges in Kolkata and Top Business Schools in India

kolkata, West bengal Mar 30, 2024 ([IssueWire.com](https://www.issuewire.com)) - Calcutta Business School (CBS) has once again solidified its position as a premier institution for management education by being acknowledged as one of the best PGDM colleges in Kolkata and a top business school in India.

Renowned for its commitment to academic excellence, industry-relevant curriculum, and holistic development of students, Calcutta Business School has garnered recognition from various esteemed institutions and industry bodies.

Calcutta Business School's success can be attributed to several key factors:

- **Rigorous Curriculum:** The PGDM program at Calcutta Business School is designed to equip students with a strong foundation in management principles, leadership skills, and industry-specific knowledge. The curriculum is regularly updated to align with global business trends and demands.
- **Industry Connect:** Calcutta Business School maintains strong ties with industry leaders and regularly invites industry experts for guest lectures, workshops, and seminars. This exposure helps students gain practical insights and stay abreast of industry developments.
- **Internship and Placement Support:** The institute offers robust internship opportunities with leading companies, allowing students to apply their learning in real-world settings. Calcutta Business School's dedicated placement cell provides comprehensive support and guidance to students, resulting in impressive placement records.
- **Faculty Expertise:** The faculty members at Calcutta Business School are seasoned professionals and scholars with extensive industry experience. They impart knowledge, mentorship, and guidance to students, ensuring a transformative learning experience.
- **State-of-the-Art Infrastructure:** The campus is equipped with modern facilities, including lecture halls, libraries, computer labs, and recreational spaces, creating a conducive learning environment for students.
