Ghaziabad, Uttar Pradesh Mar 11, 2024 (Issuewire.com) - Dental Park - Dental & Maxillofacial Centre, a premier NABH Accredited, ISO 9001:2015 Certified Dental and Maxillofacial Center in Ghaziabad, has been empaneled for Cashless Treatment for Dental and Maxillofacial procedures under Pandit Deen Dayal Rajya Karmchari Cashless Treatment Yojna for Uttar Pradesh Government Employees by National Health Authority, Government of India.

Through Pandit Deen Dayal Rajya Karmchari Cashless Treatment Yojna, eligible government employees can now avail themselves of cashless Dental and Maxillofacial treatments without any financial burden.

"Dental Park Ghaziabad is thrilled to extend its services to Uttar Pradesh government employees under the esteemed Pandit Deen Dayal Rajya Karmchari Cashless Treatment Yojna," said Dr. Aakash Arora, Founder, and Oral & Maxillofacial Surgeon at Dental Park. "Ayushman Bharat Yojna is dream project of Narendra Modijee, Our honorable Prime Minister and same Facility was extended to Uttar Pradesh Government Employees by Yogi Adityanath jee, Chief Minister of Uttar Pradesh through Pandit Deen Dayal Yojna. There is lacuna of Maxillofacial Surgeons to cater to the patients in Ghaziabad as well as Uttar Pradesh which has high incidence of Oral Diseases like Oral Cancer, Oral Submucous Fibrosis etc. This Cashless scheme will benefit a lot to the masses of Uttar Pradesh".

According to Dr. Jaisika Rajpal Arora, CEO of Dental Park - Dental & Maxillofacial Centre "At present, this scheme covers only IPD procedures i.e which require hospitalization. We hope that Government of Uttar Pradesh Government will extend this scheme to include essential OPD procedures like Root Canal Treatment, tooth extraction, Crown and Bridges etc which are covered in lot of Government Schemes like CGHS, ESI, ECHS etc but are not yet covered under this yojna " Under the Pandit Deen Dayal Rajya Karamchari Cashless Treatment Yojna, eligible government employees can benefit from Dental and Maxillofacial services, including Facial Trauma, Reduced or Restricted Mouth Opening, Cyst and Tumors of Face, Oral Cancer, Trigeminal Neuralgia etc
