

Dr. Anubhav Bhushan Dua: Revolutionizing Mental Health Care in Ghaziabad with Advanced rTMS Therapy

Recognized as Ghaziabad's Premier Neuro-Psychiatrist, Dr. Dua Offers Innovative Treatments at Max Superspeciality Hospital, Vaishali

Ghaziabad, Uttar Pradesh Mar 23, 2024 ([IssueWire.com](https://www.issuewire.com)) - In an era where mental health has become a forefront of concern, [Dr. Anubhav Bhushan Dua](#) stands out as Ghaziabad's leading Senior Neuro-Psychiatrist. Operating out of Max Superspeciality Hospital, Vaishali, Dr. Dua is pioneering the use of Repetitive Transcranial Magnetic Stimulation (rTMS) therapy, alongside traditional psychiatric treatments, to offer hope and healing to those battling severe mental health disorders.

A New Frontier in Psychiatric Care

Dr. Dua's implementation of rTMS therapy marks a significant advancement in psychiatric care in Ghaziabad. This non-invasive treatment stimulates nerve cells in the brain to improve symptoms of depression and other psychiatric disorders, offering a lifeline to patients for whom traditional medications have not been effective.

Comprehensive Care from a Trusted Expert

With over a decade of experience in neuro-psychiatry, Dr. Dua's approach to mental health care is both holistic and patient-centered. He specializes in diagnosing and treating a wide range of mental health conditions, including but not limited to depression, anxiety disorders, bipolar disorder, and schizophrenia.

Educational Excellence and Community Service

Dr. Dua's expertise is built upon a foundation of exceptional education and ongoing professional development in the field of psychiatry. His commitment extends beyond the hospital, as he actively raises mental health awareness and reduces stigma through community engagement and education initiatives.

A Testament to Compassionate Care

Patients under Dr. Dua's care frequently commend his empathy, dedication, and the innovative treatment options he provides. The introduction of rTMS therapy has been particularly transformative, offering new hope to those struggling with persistent mental health challenges.
