

Enjoy a Faster and Hassle-free Entry into Vietnam with an Online Visa

Ha noi, Hanoi Mar 11, 2024 (Issuewire.com) - Vietnam is a Southeast Asian country that is famous for its natural beauty and business prospects. Visiting the country, even for a single day, requires a valid visa and passport. Obtaining a traditional visa means visiting the embassy and spending days before travelers actually get it in their hands. This is why the government has come up with an online visa that is perfect for short visits and can be applied and obtained online. A total of 80 different nations are eligible to apply for this Vietnamese eVisa that secures a faster, and hassle-free entry to the country.
