

Errol Baptiste Shows the Real Picture of Tribunal Judge Hugh Howard

internationally exposes Judge Hugh Howard on his YouTube channel. In this new expose video, the world could see Judge Howard using discriminatory policies to breach the appellant's rights to a fair hearing. The YouTube story reveals the true nature of the judge where he acted with perversity and actual bias against the Appellant by favoring the DWP across the United Kingdom and the globe. Judge Howard also represented them in his directions on November 16, 2023, as an example of bias in Porter v Magill [2002] 2 AC 35. Errol's video shows that he used corrupt practices contrary to the Bribery Act 2010 and violated the United Nations Convention against Corruption.

Errol Baptiste's bravery led to the revelation of Judge Hugh Howard using multiple discriminatory policies towards the Appellant on grounds of disability and race breaching the Equality Act 2010 under Section 149. By doing this, he breaches the legislation on the Autism Act 2009, Section 3, Equality Act 2010 under Section 6, Section 9, Section 20, and Section 149, European Convention on Human Rights, Article 6, and United Nations Convention on the Rights of Persons with Disabilities and the United Nations Convention on All Forms against Racial Discrimination. It is shocking to see how a judge, a public officer appointed in a law court decides cases breaching such severe policies set to protect civilians. Errol Baptiste's Show on YouTube shines a light on it.

The video uncovered that Judge Hugh Howard had misapplied the law while abusing the process as he conducted the hearing incorrectly without a fair hearing. This broke the European Convention on Human Rights. Article 6 has already been reported for using actual bias on the PIP Appeal by favoring the DWP as ex-post-facto to the Judicial Investigations Conduct Office (JICO). Judge Howard was seen to ignore medical evidence under corrupt practices which violates the Equality Act 2010 on the Appellant's disability and race under the United Nations Convention on the Rights of Persons with Disabilities and the United Nations Convention on All Forms Against Racial Discrimination.
