

Gabrielle Villali, DNP, BSN, RN, a Registered Nurse with The Mount Sinai Hospital

Get to know Board Certified Nurse Practitioner Dr. Gabrielle Villali, who serves patients in New York, New York.

New York City, New York Mar 15, 2024 ([Issuewire.com](https://www.Issuewire.com)) - Dr. Villali is a nurse practitioner currently serving as a pediatric nurse practitioner at The Mount Sinai Hospital in New York.

Educated in the United States, she received her Bachelor of Science in Nursing degree from the NYU Rory Meyers College of Nursing in 2019, before receiving her Master's and Doctor of Nursing Practice degrees with a specialty in Pediatric Primary Care from the Columbia University School of Nursing in 2024.

A Nurse Practitioner (NP) is a nurse who has sought higher education graduated from an advanced practice nursing program and met the requirements outlined by a country, state, province, or similar licensing body to hold a nurse practitioner licensure. NPs fulfill a variety of job duties. In addition to their primary role in treating and caring for patients, their responsibilities also include educating patients and the public about a variety of medical conditions, as well as providing emotional support and advice to the families of their patients. Other NP job functions include leadership, research, performing diagnostic tests and analyzing results, operating medical equipment, administering medications, recording patients' symptoms and medical histories, and assisting with patient rehabilitation and follow-up.
