

Get Exclusive SoundCloud Promotion and Custom Package with Music Promotion Club

It is time for music artists to proceed with an effective SoundCloud promotion campaign with Music Promotion Club's exclusive packages which are affordable too.

Cambridge, Mar 10, 2024 ([IssueWire.com](https://www.issuewire.com)) - Every year thousands of music artists emerge on the platform of SoundCloud to create a successful career but they struggle to get exposure. Fortunately, **Music Promotion Club** is here with its effective promotional packages which help to stand out in a highly competitive landscape. This agency is well revered around the globe for its exceptional promotional strategies that can empower all kinds of music artists, regardless of their musical style and genre. Whether a rapper, a singer, or a DJ; everyone can find affordable promotional packages for music promotion with the help of this agency.

Specializing in [SoundCloud promotion](#), the agency offers four different main packages for the artists. There is a Soundcloud Marketing Package that can offer up to 13K - 14K listeners, 70+ Reposts, and 130+ Likes along with daily social sharing and a paid press release. It is a one-time purchase package for the beginners. However, artists who are looking for a long-term promotional campaign can purchase the SoundCloud Marketing Weekly Pack which is a weekly recurring package at the same price. It can offer up to 15K - 16K+ listeners, 200+ Likes with 90+ Reposts. This package also consists of the benefits of daily social sharing, content marketing as well as custom banner creation.

Similarly, there is the SoundCloud Promotion Package where the magnitude of the promotional results gets even higher with up to 31K - 32K+ listeners, 260+ Likes, and 130+ Reposts. Along with a paid press release, this package also offers one music blog and 1 music review, exclusively crafted

based on the artists' musical creations. Last but not least, there is also the SoundCloud Promotion Weekly Package which also weekly recurring and offers maximum exposure. It can offer up to 36K - 37K+ listeners, 260+ Reposts, and 300+ Likes; a hike of 15% extra listeners. This package also offers more content along with the benefits of video creation, email marketing as well as latest event promotion. The user can stop their subscription at any moment they want.

Other than main packages, **Music Promotion Club** also offers a Custom Package for SoundCloud Promotion where music artist can design their own promotional package or campaign bundle, based on their budget and requirements. From the designated sections of plays boosting, content marketing, paid social media promotion, and EPK services; every user can find multiple options to opt for. They can use the add-ons based on their budget the price for the campaign bundle will be adjusted accordingly. The custom package can offer up to 150k views which are credible and organic. In content marketing, an artist can get PR creation and distribution along with Music blogs, reviews, and interviews as well as a chance to be featured in a renowned music magazine. The sponsored promotion takes place through Google Ads, Facebook, and Instagram. Lastly, there is the electronic press kit (EPK), a professional tool for promotion. Purchase a package and witness an improvement in the musical career.
