From 12<sup>th</sup> to 19<sup>th</sup> March

Huntington, Mar 12, 2024 ([Issuewire.com](https://www.issuewire.com)) - Spotify is the biggest music streaming platform in the world. Since streaming services came into the music industry, they became even more competitive, making it a lot harder for artists to get attention among the big giants. To get noticed in the already famous and hit musicians, artists require promotions and marketing to get into the spotlight. **The**

**Tunes Club** is one of the most popular and reliable music promotion company in the market that offers effective services at affordable prices. Now it is going to be even more affordable as the website is offering a **flat 10% discount** on all of its packages, starting **from 12th to 19th March**.

Working with **The Tunes Club** means there will be a guarantee that the entire promotional campaign will be done organically. The website promotes songs with curated Spotify playlists, giving artists more exposure, visibility, and attention on the platform. The packages also include both content marketing and social media sharing. This means that the musicians will not only get a boost on Spotify but also on other social media platforms. This will result in an added buzz for their music, giving their talent a chance to shine. Additionally, The Tunes Club's [Spotify Music Promotion](#) is both effective and affordable. So, staying on a budget will not be a problem for artists that work with the marketing website. Now with the sale coming up, the artists can even save bigger, better.

**The Tunes Club** has been working in the industry as a music promotion company for several years and with several prominent names. This has given the company enough marketing knowledge about the platform and by pairing it with the experience, the company provides one of the finest marketing campaigns for artists from all over the world. The website contains four music promotion packages where artists can pick and choose depending on their requirements. The first package is called the **'Spotify Marketing Package'** which will promote a single Spotify track to more than **60 curated playlists**. Choosing this package will make sure that the artist is getting **3000-3500 listeners** at once. At the same time, the track will be shared on social media platforms like Facebook, Instagram, Twitter, Pinterest, etc. to 100K+ followers. Once the campaign is over, the artist will receive the complete report and check for themselves.

The second package is called the **'Spotify Promotion Pack'** where a total of **2 Spotify tracks** can be promoted. The tracks will be added to more than **90 curated Spotify playlists** and will be shared on various social media platforms, **generating 7000-7500 listeners**. On top of that, this package will also give artists **1 paid press release distribution**, strengthening the campaign even more.

The third package is called the **'Spotify Marketing Pro Pack'** where a **total of 3 tracks** can be promoted. The tracks will be added to more than 120 specially curated Spotify playlists that will **generate 10,000-11,000 listeners** along with complete online engagement. This package will make sure the tracks are gaining an audience organically and comes with **1 paid press release distribution** and a **music blog**.

The last and the biggest package is called the **'Spotify Promotion Pro Pack'** which will let a total of **4 tracks** be promoted at once. This package includes adding music tracks to over **180 specially curated Spotify playlists**, generating **14,000-15,000 listeners** along with complete online engagement. This package targets audiences according to the style and genre of the musical creations and comes with **paid press release distribution**, a **music blog**, and an **artist review**. Artists can choose from these four packages which one fits their requirements the best and move with that. No matter what package the artist picks, once the campaign is done all reports will be sent to them for inspection. All of the above packages are extremely affordable and are specially crafted after thorough market research. Now with the sale coming the artists can get a **flat 10% discount** on all of them and save better. So don't waste any more time and grab this opportunity to grow in your career like never before! **The sale starts on 12th and ends on 19th March**.
