House of Craven Mobile App | Free Download on iOS and Android

House of Craven inks partnership deal with BidSquare, the premier technology solution and online platform for live and timed online auctions. BidSquare's technology makes bidding easy. It provides transparency as sellers and bidders can view House of Craven auction catalogues and participate online. To register and for FAQs, please visit: www.bidsquare.com/get-started.

With a mobile app being developed, for both iOS and Android, House of Craven will also feature online auctions directly on its website: www.houseofcraven.com.

House of Craven holds regular Miami | Palm Beach auctions online, offering a wide variety of unique items to bidders around the world. Our auctions include major categories: Real Estate, Fine Art, Jewelry, Asian Art & Antiques, Furniture and Decorative Arts, Silver, Mid-Century Modern Design, Luxury Accessories and Couture, and more. Hunting for treasures at House of Craven Auctions is fun, but if you ask us, the most rewarding (and thrilling) part is adding a new favorite piece to your prized collection — without breaking the bank. Moreover, when you purchase pre-loved items, you're reducing your carbon footprint. Score a second-hand sofa at auction and you've offset your annual carbon emissions by four (4.0%).

House of Craven wants to make sure you find the best deals on the treasures you seek, so here's the

inside scoop on staying ahead of the game:

Create Alerts for your favorite searches — filter by keyword, price, auction house, category, and more — and be the first to know when new items matching your alerts are posted.

Save Items to Watchlist to keep track of key pieces. You'll be notified if another bidder places a bid on an item you're watching, helping you stay on top of your bids and ahead of the competition.

Set Category Preferences and each week receive item recommendations personalized just for you. Ready to win new treasures?
