

James K. Ellis, MD, an Oncologist with LCMC Health

Get to know Oncologist Dr. James K. Ellis who serves patients in New Orleans, Louisiana.

New York City, New York Mar 7, 2024 ([IssueWire.com](https://www.issuewire.com)) - A seasoned oncologist, Dr. Ellis stands as a beacon of compassion and expertise in the realm of cancer care, driven by a profound dedication to improving the lives of those battling this formidable disease. His journey in healthcare began with a deeply personal experience, as he witnessed the challenges of caring for his aging grandmother during his high school years.

During his college years, his trajectory was further shaped by a friend's courageous battle with leukemia. Witnessing the resilience and strength of his friend in the face of adversity solidified his resolve to pursue a career dedicated to oncology.

Pertaining to his educational pursuits, his academic journey began at the esteemed Louisiana State University Health Sciences Center in New Orleans, where he obtained his medical degree in 1991. Following medical school, Dr. Ellis embarked on a demanding residency program at LSU School of Medicine. Furthermore, he pursued a fellowship at Louisiana State University School of Medicine, which he completed in 1998.

Dedicated to clinical excellence, the doctor is board-certified in medical oncology and internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Among his other roles, Dr. Ellis is affiliated with esteemed medical institutions such as West Jefferson Medical Center, Touro, and East Jefferson General Hospital.

Oncology is a branch of medicine that deals with the prevention, diagnosis, and treatment of cancer. A medical professional who practices oncology is an oncologist. An oncologist is a doctor who treats cancer and provides medical care for a person diagnosed with cancer. They lead a cancer treatment team of various healthcare professionals, treat patients with radiation therapy, coordinate treatment plans and prescribe various types of treatment, including chemotherapy and immunotherapy, as well as assist patients with pain management.

On a more personal note, Dr. Ellis is a practitioner of karate and yoga.
