

Lashmer Offering Myriad of Options for Lash Fans- Easy Fans, Premade Fans and Promade Fans

Blackburn, Victoria Mar 7, 2024 ([Issuewire.com](https://www.issuewire.com)) - Being a premier and leading supplier of eyelash extension fans, Lashmer is offering perfect volume to your lashes with these latest varieties- Premade, Promade and Easy Fans.

Following the trends, Aussie women are recently after eyelash extensions to create a more natural look and add volume to their natural lashes, and so are lash artists looking for the best lash fans that are comfortable to wear and easy to apply. Lashmer's sales executive has announced the arrival of their latest launched **eyelash fan extensions** in the market in the recent press note- Premade, easy and promade fans.

Premade, promade and easy lash fans are the most trending options for eyelash extensions used by professional lash techs in Australia. [Premade fans eyelashes](#) are the top choice for lash artists as it's easy to apply with the utmost precision and perfection just in seconds. Also, it remains beautiful for longer due to its heat-bonded features.

Then, there are [fast and easy fan lashes](#) similar to individual lashes and are handmade, making it easier for lash techs to create volume fans for clients. And, as they are easy to pick up and automatically fans, lash artists save much more time and no longer depend on adhesive solely.

Now, here comes **promade lash fans!** [Promade lashes in Australia](#) are the most picked extension choice for lash techs for their easy application. These are also hand-crafted fans with heat-bonded at the base. Most Aussie women prefer this one to get a fluffy and voluminous look in seconds.

The sales executive of Lashmer stated in a recent press note, “We’re setting here the new standard for lash extensions and raising the bar for lash tech toolkits. We ensure your clients always deserve nothing but the best.” “Our lash fans undergo rigorous quality checks ensuring no split roots, and we focus on tailored designs to meet the demands for top lash artists in Australia” he added.

Lashmer is the top supplier of best quality **premade volume fan lash extensions**, easy fans and promade fan lashes. All our lash fans are heat bonded, ensuring durability and made of 100% Korean material with a 100% cruelty-free guarantee. Your clients will get flawless looks, which make them return more and more. Stay connected, and don’t miss our exclusive offers!
