MORE INFO

Woodland Hills, California Mar 13, 2024 ([Issuewire.com](https://www.issuewire.com)) - Petrossian Aerial, a leading provider of [aerial drone photography and videography services in Los Angeles](#), is expanding its reach throughout Southern California. The company, headed by FAA Certified Drone Pilot [Garen Petrossian](#), is not just soaring skies but also raising the bar in aerial imaging.

Petrossian Aerial specializes in a broad range of services, including 3D modeling, real estate photography, and commercial videography. These services cater to diverse sectors, offering unique aerial perspectives that traditional photography cannot match. With advanced drone technology, Petrossian Aerial captures high-definition images and videos that are ideal for real estate listings, commercial advertising, film production, and architectural surveys.

At the helm of [Petrossian Aerial](#) is Garen Petrossian, an accomplished drone pilot and actor known for his roles in 'Tim and Eric Awesome Show, Great Job', 'I Don't Clean' (2009), 'Expendable' (2008), and 'The Hurricane in the Rosegarden' (2007). His expertise in both aviation and the entertainment industry brings a unique blend of technical proficiency and creative flair to the company's services.

"Drone technology has revolutionized how we capture and experience our world," said Petrossian. "At Petrossian Aerial, we're committed to providing our clients with innovative solutions that showcase their projects and properties in the best light. Our goal is to deliver visuals that are not just stunning but also impactful."

Petrossian Aerial's expansion in Southern California reflects the growing demand for high-quality aerial imaging. Real estate agents use drone footage to provide potential buyers with immersive property tours. Construction companies utilize aerial surveys for site monitoring. Event organizers employ drones to capture dynamic perspectives of large-scale events.

What sets Petrossian Aerial apart is its dedication to excellence and safety. As an FAA Certified operator, the company adheres to stringent safety standards, ensuring all flights are conducted responsibly. Their services are tailored to meet each client's unique needs, delivering bespoke solutions that enhance their marketing and promotional activities.

"Every flight is an opportunity to create something extraordinary," Petrossian added. "We're excited to bring our state-of-the-art drone services to more clients across Southern California, helping them achieve new heights in visual storytelling."
