

RVLV Appointed by Cricket Scotland to Design and Builds New Website

We'll create a dynamic online platform delivering a highly engaging and informative experience for all visitors. Behind the scenes we'll be developing a modern, headless CMS framework that will deliver seamless integrations.

Brentwood, England Mar 19, 2024 ([Issuewire.com](https://www.issuewire.com)) - RVLV are thrilled to have been chosen by Cricket Scotland, the governing body for cricket in Scotland, to design and build their new website. With a rich history, Cricket Scotland are responsible for promoting and developing the sport at all levels.

Our work, over a three year contract period, will involve creating a dynamic online platform that will be contemporary, distinctive and intuitive, delivering a highly engaging and informative experience for all visitors. Behind the scenes we'll be developing a modern, headless CMS framework that will deliver seamless integration with scoring, fixtures and registration functionality.

Cricket Scotland's Head of Communications Charles Paterson commented on our appointment "Cricket Scotland is delighted to partner with RVLV in the design and build of a new website for the governing body. It's essential to our domestic and global profile and brand that we showcase our sport in the best possible light. We are excited to work with RVLV in creating a dynamic, stylish, state of the art and easy-to-access new shop window for Scottish cricket!"
