

Sai University Chennai offers scholarships for its Liberal Education Undergraduate Programs for the AY 2024-25

The university is dedicated to ensuring that its distinctive higher education programs are accessible to students from diverse backgrounds by providing a range of merit-based scholarships to motivate and support talented individuals.

Chennai, Tamil Nadu Mar 4, 2024 ([Issuewire.com](https://www.issuewire.com)) - Sai University has gained popularity among students nationwide for its interdisciplinary and multidisciplinary curriculum, renowned academicians from India and abroad, rigorous teaching techniques, and students' direct exposure to global thought leaders.

Focusing on redefining higher education, Sai University promotes an interdisciplinary approach, allowing students to tailor their degrees by selecting majors & minors, electives, specializations, audit courses, summer internships, and honors. The university provides exclusive foundational courses that are available to students regardless of their chosen majors. These courses delve into various subjects including the environment, the Indian constitution, critical thinking, artistic appreciation, and global challenges concerning important political, social, and cultural matters. Students will enhance their communication, critical thinking, ethical and moral reasoning skills, and most significantly, they will

delve into the core of humanity.

One of the hallmarks of Sai University is our unwavering commitment to accessibility and inclusivity in higher education. Recognizing the importance of financial support in realizing academic aspirations, we are pleased to offer a range of scholarships designed to assist students on both merit and need-based criteria for Sai University's undergraduate and postgraduate programs. Whether recognizing academic excellence, leadership potential, or addressing financial need, Sai University scholarships aim to make quality education attainable for all deserving students.

District Toppers Scholarship:

Sai University awards 100% scholarships on tuition fees to the top three rank holders in any district across India.

Young Scholar:

The Young Scholar program provides a 50% tuition fee scholarship, determined by the student's 12th-grade score, which ranges from 80% to 100% and depends on the educational board.

Merit Scholar:

The Merit Scholar program provides a 20% tuition fee scholarship, determined by the student's 12th-grade score, which ranges from 70% to 90% and depends on the educational board.

Scholarship for Co-curricular and Extracurricular Achievements:

Sai University recognizes students who excel in co-curricular and extracurricular activities by offering tuition fee scholarships of 25% and 50%, depending on their achievements ranging from state to international levels.

Dr. Vivek Shivhare, Director of Admissions at Sai University Chennai, expressed, "Our commitment lies in nurturing talent and fostering a culture of academic excellence and innovation. By implementing a liberal education model and providing scholarship opportunities, our goal is to equip students to emerge as future leaders and catalysts for change in their chosen domains."

Sai University's holistic admission process goes beyond academic accomplishments to evaluate potential through various perspectives. Our goal is to unite bright students from diverse backgrounds who are imaginative, inquisitive, self-aware, and open-minded to foster collaboration and establish a fulfilling learning atmosphere.

As the admissions for the academic year 2024-25 are in progress, Sai University awards merit scholarships on a rolling basis due to the limited availability of scholarship slots. Prospective students are encouraged to apply early to take advantage of these scholarships.
