

Sasson Moulavi, MD, FASBP, a Family Physician with Rofe Medical and Smart For Life Medical Center

Get to know Family Physician Dr. Sasson Moulavi, who serves patients in Boca Raton, Florida.

New York City, New York Mar 27, 2024 ([Issuewire.com](https://www.issuewire.com)) - A seasoned family physician, Dr. Moulavi is the Chief Medical Officer of Rofe Medical and Smart For Life Medical Center, located in Boca Raton, Florida. He and his team welcome patients to visit for basic medical services, including physical exams and chronic disease management. His main specialties are family, bariatric medicine, and anti-aging

medicine, highlighted among the practice's services.

Rofé Medical is a full-service family medicine and wellness clinic providing patient-centric care in Boca Raton, Florida. Dr. Moulavi empowers the team to work together to achieve exceptional results for every patient based on their goals and individual needs. They foster a warm, welcoming environment that instantly makes patients feel at home.

Smart For Life Medical Center aims to create a world-class nutraceutical company engaged in the development, manufacturing, and sales of quality nutraceuticals and related health and lifestyle products for distribution to an expanding global marketplace.

Academically, Dr. Moulavi received his medical degree from the University of Toronto, before completing his residency in family medicine at McGill University in Montreal, Canada. He has completed the Annual Practical Approaches to the Treatment of Obesity at Harvard University and is a proud American Academy of Anti-Aging Medicine member.

As a testament to his continued education, he is a board-certified Graduate of the Fellowship Program of the Obesity Medical Association, board-certified by the American Board of Anti-Aging & Regenerative Medicine, and board-certified by the American Board of Bariatric Medicine. He is also a Fellow of the American Society of Bariatric Physicians (FASBP).

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.
