

## Sherine Beltran, Recognized by BestAgents.us as a 2024 Top Agent

Mastering the art of property presentation, Sherine captivates buyers and sellers for maximum exposure and ideal clientele in the dynamic real estate market.

**New York City, New York Mar 27, 2024 ([IssueWire.com](https://www.IssueWire.com))** - Sherine Beltran is a realtor, mentor, and team leader who has dedicated the last 16 years to exceeding her client's expectations in homeownership. Sherine's real estate journey began at a young age. Her grandfather, an ultra-successful real estate entrepreneur, impressed his drive and wisdom upon his granddaughter, teaching

her about the industry early on. Sherine fondly remembers joining her grandfather during the summers in California to help care for his rental properties when preparing for new tenants. She helped paint and manage simple touch-ups while soaking up her grandfather's wisdom and passion for real estate.

It was no wonder this go-getter would go on to buy her first home in 1999 in her early twenties, and begin forging her lifelong path in real estate with her first investment property in 2003. Sherine loved the process of buying investment properties so much that in 2007, she decided to become a licensed realtor. Sherine wanted to not only support her business' success but also help others achieve financial freedom through real estate as well. Beltran dove in with both feet and the market crashed shortly thereafter. Her strength and resourcefulness were tested to the max but she didn't stop for one second. Her business not only made it through the 2007/2008 market crash but thrived. This voracious tenacity is simply innate.

Sherine has a move mountains kind of hustle and a knack for exploring incredibly savvy ways to get the job done and done well. She is that rare combination of dreamer mixed with fierce practicality, and it has made her the fantastic agent she is today. Doing a great job and exceeding expectations is par for the course with Sherine.

She is a true people person in every sense of the word and she wants everyone who comes in contact with her to feel better after their time together, than when they came in. She walks the walk she talks, and in the busy fast-paced world of real estate, it's an asset to work with someone with this type of determination and authenticity. Her clients feel immediate safety and trust in her presence and she loves to meet people where they're at every time saying, "Everybody gets to be themselves with me."

Working with Sherine is an experience that will leave you fulfilled, grateful, and inspired. She will listen to you and guide you with 100% authenticity and rest assured, find you the home of your dreams. Like she always says, "I'm here to tell you it's possible to have it all!"
