

Swiss School of Business Research announces it's Innovative One Year Phd

Unlock Your Potential with this new Swiss school's Unique PhD Programme

Zurich, Switzerland Mar 26, 2024 ([Issuewire.com](https://www.issuewire.com)) - The Swiss School of Business Research (SSBR) is proud to announce the launch of its groundbreaking PhD by Portfolio program, a transformative educational pathway that allows executives to convert their professional experience into a doctoral degree within just one year.

The PhD by Portfolio is an avant-garde academic path tailored for seasoned executives who have amassed a wealth of knowledge and industry insights but lack the luxury of time to pursue conventional, extended academic engagements. This program is designed for professionals who can't afford to step away from their bustling careers, offering a flexible, entirely online curriculum that respects the demanding schedules of senior professionals.

The program's flexibility allows candidates to integrate their academic pursuits seamlessly with their professional life, ensuring that neither sphere is compromised. The PhD by Portfolio recognizes the professional journey as a significant component of doctoral research, with real-world challenges and leadership experiences forming the bedrock of the doctoral thesis.

SSBR's PhD by Portfolio programme isn't about taking you away from your work; it's about amplifying

the incredible work you're already doing. It's not traditional studying; it's about showcasing and building on the projects and initiatives you are deeply passionate about.
