

# The Tailory New York's Mobile Atelier Returns To Washington D.C. Annual Spring Trunk Show

Wedding Attire and Custom Suiting Capital City Pop Up Event at The DuPont Circle Hotel

**New York City, New York Mar 12, 2024 ([IssueWire.com](https://www.issuewire.com))** - In a growing trend of bespoke wedding attire, The Tailory New York returns to the Nation's capital for the 6th straight Spring with this season's wedding styles. For all those in search of cutting-edge wedding designs, you are in luck. No two marriages are the same, nor should any two wedding suits be the same. The Tailory New York provides a variety of custom-tailored wedding attire options, including suits, tuxedos, dresses, jumpsuits, and capes.

"Customizing someone's wedding attire requires a holistic understanding of how they want to look and feel," says Shao Yang, Founder & Creative Director of The Tailory New York. "To deliver what they want goes beyond fit and fabric. That's why we cover all factors like venue temperature, duration of time spent in the attire, as well as what the fabric needs to endure. Simple questions like: do you plan on doing a split on the dance floor, go a long way? There would be no happily ever after without discussing all the necessary details."

This news comes in the wake of many recent pop-up events in Los Angeles, San Diego, Dallas, Miami, Atlanta, Chicago, Philadelphia, & Boston. To learn more about The Tailory New York, head to <https://thetailorynyc.com/>, and/or <https://www.instagram.com/thetailorynyc/>.

Shao Yang is also the Founder & Creative Director of her namesake brand, Shao New York. Ms. Yang's latest brand quickly became legendary for its genre-wrecking streetwear aesthetic and its debut fashion show at NYFW 2023. The fashion show was The Outlaw Agency's inaugural production. The Outlaw Agency was founded by powerhouse fashion legend Kelly Cutrone and her long-time admirer, media darling Anna Delvey.

The Tailory New York is by appointment, a women-owned, and operated bespoke clothing company that combines modern fashion design with the heritage art of custom tailoring. They believe that custom suits are genderless, and they cater in equal measure to men, women, and non-binary individuals.

This event will be held at The DuPont Circle Hotel, which is located at 1500 New Hampshire Avenue NW, Washington, DC 20036
