

Todd A. Wical, DO, FAAFP, a Family Physician with Taylor Regional Hospital

Get to know Family Physician Dr. Todd A. Wical, who serves patients in Campbellsville, Kentucky.

New York City, New York Mar 18, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Wical is a board-certified family physician on staff at Taylor Regional Hospital in Campbellsville, Kentucky.

Taylor Regional Hospital is a 90-bed facility with services including an emergency care Level III Trauma

Center, cardiac catheterization and rehabilitation, 24-hour physician-staffed emergency services, 24-hour teleradiography services, mobile medical resonance imaging, obstetrics, orthopedics, and cancer treatment center. Its vision is to be the preferred healthcare provider dedicated to enhancing the quality of life in the region.

With a solid educational background, Dr. Wical graduated with his Bachelor of Science Degree from Buena Vista University in 2009. He then pursued his Doctor of Osteopathic Medicine Degree at Des Moines University College of Osteopathic Medicine, graduating in 2013.

Continuing his education, Dr. Wical undertook an internship in obstetrics and gynecology at San Antonio Uniformed Services Health Education Consortium from 2013 to 2014, followed by a residency in family medicine at Martin Army Community Hospital from 2015 to 2018.

Board-certified in family medicine, Dr. Wical is recognized as a Diplomate of the American Osteopathic Board of Family Physicians (AOBFP). The AOBFP is an organization that provides board certification to qualified osteopathic physicians who specialize in delivering comprehensive primary care for patients of all ages, and genders, and addressing all parts of the body.

With a commitment to excellence and leadership in the field of family medicine, Dr. Wical holds status as a Fellow of the American Academy of Family Physicians (FAAFP).

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.
